

# CALCUL : La division posée

<http://lesce2demimi.eklablog.com>

Pose et calcule ces divisions :

phrase mathématique réponse : . . . = . . . x . . . + . . .

phrase mathématique réponse : . . . = . . . x . . . + . . .

Handwriting practice for the first division problem. The grid contains the following elements:

- Top row: 'c d u' (dividend) and 'c d u' (divisor) with a horizontal line above the divisor and an 'x' above the 'u'.
- Second row: A downward-pointing arrow and a horizontal line.
- Third row: A downward-pointing arrow and a horizontal line.
- Fourth row: A downward-pointing arrow and a horizontal line.
- Fifth row: A downward-pointing arrow and a horizontal line.
- Sixth row: A downward-pointing arrow and a horizontal line.
- Seventh row: A downward-pointing arrow and a horizontal line.
- Eighth row: A downward-pointing arrow and a horizontal line.

Handwriting practice for the second division problem. The grid contains the following elements:

- Top row: 'c d u' (dividend) and 'c d u' (divisor) with a horizontal line above the divisor and an 'x' above the 'u'.
- Second row: A downward-pointing arrow and a horizontal line.
- Third row: A downward-pointing arrow and a horizontal line.
- Fourth row: A downward-pointing arrow and a horizontal line.
- Fifth row: A downward-pointing arrow and a horizontal line.
- Sixth row: A downward-pointing arrow and a horizontal line.
- Seventh row: A downward-pointing arrow and a horizontal line.
- Eighth row: A downward-pointing arrow and a horizontal line.
